Chamber Leaders Recommend the Summit

"If you can get your board members to do only one thing this year, you MUST get them to attend this training. My Board members 'get it' now after attending last year."

Heidi Larkin-Reed
President/Chief Executive Officer
Orange Chamber

"Attending this Summit will enable our board leadership to be 'rowing in the same direction' as we continue to provide the 'resources for prosperity.'"

Bobby Spiegel, President/Chief Executive Officer, Corona Chamber

"The resources and information on key chamber board and CEO leadership management issues presented by Dave Kilby and Steve Snyder were very helpful. All chamber board members and CEO's will find the Leadership Summit worth the investment of their time and money!"

Barbara Jefferson
Chairman of the Board
Claremont Chamber
